

Quadra Care

12634 The Quadra Care bedside table is very compact and has a contemporary and rigid design. The extra low bedside table matches perfectly with the XLow bed range.

Low model with 2 drawers

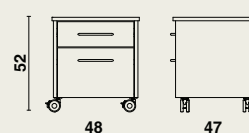

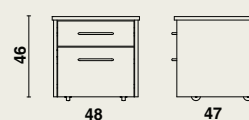

- 2 side panels with a back, bottom, and a tabletop.
 - Made of melaminated chipboard (thickness 19 mm).
 - The side panels, the top of the cabinet and the bottom are connected to each other by means of wooden dowels. Then cold glue is used to create a strong cupboard frame.
 - The tabletop is connected to the cabinet by means of eccentric cams.
 - Metal design handle.
 - The removable drawer is made of metal sides,
- between which a wooden bottom and back have been attached.
 - The drawer is installed in the cupboard frame by means of high-quality steel rails with an end stop.
 - The tabletop is made of a double sided melaminated chipboard of 19 mm.
 - 4 hidden castors Ø 50 mm.
