

WZC Veilige Have

Aalter (Belgium)

WZC Veilige Have at Aalter invests heavily in the future. A completely new wing, named Zorghave, has been built behind the existing nursing home.

The new buildings can accommodate 153 residents who need extra care. The most modern techniques in the fields of architectural technology, fire safety and healthcare technology were integrated in the concept. Haelvoet equipped the 128 new rooms with Olympia Care XLow beds and Quadra care bedside tables. Next to that, Haelvoet also furnished the recreation rooms with Domus Classic, Domus Flex en Fero relax chairs.
