

Cosi bedside table

16800 The Cosi bedside table is a perfect addition to the upholstered beds from Haelvoet since the materials can be completely coordinated with each other.

High model with 2 drawers

- Body with side panels, a top and bottom made of chipboard, 19 mm thick.
- The panels are connected to each other by means of wooden dowels and eccentric cams.
- The bedside table is equipped with 2 drawers with upholstered fronts and without handle.
- The drawer is installed in the cupboard frame by means of high-quality steel rails with an end stop.
- The rails are equipped with the tip-on mechanism. To open the handleless drawer, it is sufficient to push briefly anywhere on the drawer front. Gently push the front to close the drawer.
- Thanks to the soft close mechanism, the drawer closes silently and effortlessly and has a synchronised feather-light glide.
